THE HAYNES AUTOMOBILE COMPANY, Kokomo, Indiana, Pioneer Automobile Builders, with 23 years of successful and continuous Motor Car Manufacturing experience, have produced what is justly known as "AMERICA'S GREATEST LIGHT SIX."

Haynes "Light Six"

WILL SHOW YOU A BETTER DEMONSTRATION—MORE POWER, GREATER FLEXIBILITY, LESS MECHANICAL TROUBLE, LOWER COST OF UPKEEP AND LESS DEPRECIATION THAN ANY SIX CYLINDER LISTING UNDER TWO THOUSAND DOLLARS.

BECAUSE the entire car is manufactured in the Haynes Factory where one standard of quality and workmanship always prevails.

See the Haynes—ride in it—know its flexibility—its performance—it's high class in every detail—and we will leave it to your judgment if it doesn't deserve its name, "America's Greatest Light Six."
